Warm Greetings!

Hope you are doing well. I am writing this letter to thank and congratulate you on behalf of our AMERICAN ASSOCIATION OF PHYSICIANS OF INDIAN ORIGIN (AAPI) for helping us to successfully organize the 16th AAPI ANNUAL GLOBAL HEALTHCARE SUMMIT at Visakhapatnam from 6th - 8th, January 2023 at Novotel Varun Beach. You deserve our commendations especially, as you and your team have managed to do it so successfully at a short notice.

We all felt it was an outstanding Summit this year and everybody loved it. Besides, your team was very efficient and have done a fabulous job. Your assistance in organizing our extensive scientific program was very professional and many delegates have complimented about it.

So, it looks like you have the natural ability and talent to organize large scientific events. We are looking forward to working with your organization again for our future events and all the best for your other projects. We are happy to recommend Meety as event planner and organizer for any medical and scientific conferences and events.

Yours sincerely,

Ravi Koli, MD
